**SHIPPERS WILL PROTEST  
INCREASED FREIGHT RATES**  
Chicago, May 27.—Next Tuesday before the increased freight rates on the western railroads will go into effect a delegation of shippers from the principal cities of the west will appear before Attorney General Wickersham in Washington with a petition to the government asking the federal courts to enjoin the railroads from putting the rates into effect. The contention will be that the committee which agreed upon the rates in behalf of the carriers is an illegal combination. The shippers claim they have evidence that will completely support their contention that the rates were advanced illegally.

Mr. and Mrs. E. J. Ellis, and Mrs. Ellis' father, H. D. Willson, arrived last night from Bonne Terre, Mo., and will locate permanently if they find suitable conditions.

**Endeavor Convention.**  
Nashville, Tenn., May 27.—Speeches of welcome and the annual address of the president occupied the initial session this morning of the Tennessee State Convention of Christian Societies. Bishop Carter will speak to night and other prominent churchmen will be heard tomorrow and Sunday.

Washington, D. C., May 24.—President Taft has refused to accept the resignation of Judge Alford W. Cooley of Alamogordo from the New Mexico supreme bench and has offered him a leave of absence until fall during which to recuperate. It is understood that the senate committee on judiciary has declined informally to report with favorable recommendation the appointment of Judge E. C. Abbott and the reappointment of Judge John R. McFie to the senate for confirmation and will take official action at the first meeting of the committee.

**INDIAN ALLEGES HIS CAT-TLE WERE STAMPEDED.**

Harrington, charged with the larceny of four head of cattle, the property of a Navajo Indian on March 1, 1910. Prosecuting Attorney Ruiz is assisted by John Venable and the defense is represented by Medler and Lester. Most of the day was occupied in securing a jury, many jurors failing to come up to the work as to the evidence necessary where it is a question of the word of an Indian against a white man.

**Uprising in China.**  
Hong Kong, May 27.—Several regiments of Chinese troops have been sent to patrol Changshan, where an uprising against the "foreign devils" seems imminent. Posters have been distributed setting next Sunday as the date for a general destruction of all white people missionaries and native Christians. The government officials assert that they are able to cope with any trouble that may come on Sunday, but several British and French gunboats have been sent to Changshan in case of possible need.

### FORTY MEN DISCHARGED FROM ROAD FOR DRINKING.

Report came last night that forty train and engine men on the Santa Fe in this section of the Southwest had been discharged for drinking and frequenting saloons. The report is not official and local officials believe it to be exaggerated. However it is certain that a big bunch of men were discharged for that cause. None of the men making headquarters at Roswell were affected in the big order, but many at Amarillo have lost their jobs on account of the drink habit, or for frequenting saloons.

### Two Sections of Train.

The first section of the passenger train from the north arrived on time last night, but brought only a few passengers and no mail from north of Amarillo. The second section, the regular train, carrying mail and Pullman coaches, arrived at ten o'clock. The delay was started far east and grew all the time. At Kenna the train was delayed an hour and a half by the train going "dead."

### Verdict for One Dollar.

Supper was served in the club house and the table was covered with a profusion of American Beauty roses and white carnations. Place cards took the unique form of eggs with each guest's given name printed thereon and the favors were bouquets of sweet peas. After supper, dancing was indulged in until early morning.
